Dear Music Sponsor:

We invite you to join the MPS Music Association in supporting music education within Marlborough's Public Schools. As a registered nonprofit, our association raises vital funds for seven annual scholarships, performance attire, and student instruments. We also help offset the costs of local and out-of-state competitions, supplement the school's music budget, and provide dedicated volunteers for events and performances. This year, your support is more critical than ever, as we are seeing a significant increase in the number of families requiring financial assistance.

We hope you will consider becoming a Sponsor and/or placing an ad this year! Please email us so we can reserve your space in the upcoming program.
